Grupele 1, 2, 3

Joc!

Uite câte piese amestecate! Încearcă să faci câte un computer complet, după culoare. Dar ai grijă, o piesă lipsește... Ai aflat care?

The worksheet displays several computer components in various colors: red, yellow, green, and blue. Each color has a corresponding monitor, keyboard, and tower case. A mouse is also present in each color. One blue mouse is circled, indicating it is the missing piece for the blue computer set.
